

How will the End-of-Course Assessment results affect my final grade in the course?

REQUIREMENT: Florida Senate Bill 1076 requires that the EOC assessment results make up 30 percent of all students' final course grades for the following courses:

- NGSSS: Biology, Civics and U.S. History
- FSA: Algebra 1, Algebra 2 and Geometry

Students must earn a passing grade in a course with the 30 percent calculation applied in order to earn high school credit.

What grades will be assigned based on the NGSSS EOCs?

EOC Score	Grade assigned for 30% calculation
5 or 4	A
3	B
2 or 1	D

How will the 30 percent be calculated into my grade for the NGSSS EOCs?

The final grade will be calculated using the following formula, with traditional point values used for the letter grade:

$$(Final\ Grade\ assigned\ by\ teacher \times .70) + (Grade\ assigned\ by\ EOC\ score \times .30)$$

For example: Your final grade in Biology is a B and you earn a Level 3 on the Biology EOC. Your grade is the following:

$$(B \times .70) + (B \times .30)$$

$$(3.0 \times .70) + (3.0 \times .30)$$

$$(2.1) + (.9)$$

$$3.0 = B$$

What will your final grade be without performing the computation for the NGSSS EOCs?

Teacher Final Grade	FINAL GRADE		
	EOC Score = 5 or 4 30% as 'A'	EOC Score = 3 30% as 'B'	EOC Score = 2 or 1 30% as 'D'
A	A	A	B
B	B	B	C
C	B	C	C
D	C	C	D
F	D	F	F

How will the 30 percent be calculated into my grade for the FSA EOCs?

The t-scores received from the FLDOE will be used to compute the final grade during the baseline year.
